## Oxygen Spa & Salon + Medical Spa

“Oxygen” wants to say “Thank You” with some great treatments that you can treat yourself and or a friend to. In February we will give you a Visia Complexion Analysis (a \$100 value) for free with any injectable facial fillers or Botox or Dysport, in our Medical Spa.

Please, you must mention this deal at time of booking so we can allow enough time for the free Visia Complexion Analysis. (About 40 minutes)

Our medical microdermabrasion treatment is now \$89, (it was \$150) then after your treatment you can do any facial or any one hour massage for half price, that day. **WOW !** Your face will look fantastic.

Pedicure and manicure compo was \$67..now \$55  
1 hr. Aromatherapy massage, was \$85...now \$69  
Revitalize anti-aging facial, was \$70....now \$59
